TECHNICAL DATASHEET

SONORAN

[OTV] OVERT TACTICAL VEST

Available in Black, Ranger Green, Coyote Brown and Multicam®. Agency colors available upon request.

PRODUCT FEATURES

- INTERNAL VENTING FOAM
- ADJUSTABLE CUMMERBUND
- TOP OR BOTTOM HARD ARMOR LOADING
- QUICK-RELEASE MAGNETIC BUCKLES
- ACCEPTS A WIDE RANGE OF ARMOR
- SOLUTION DYED CORDURA® NYLON
- ANTI-MICROBIAL COATING

Designed for law enforcement and military professionals, the SONORA tactical vest is the ultimate tactical platform. Laser cut MOLLE exterior provides limitless configurability to the mission requirements. Removeable front and back MOLLE panels allow for quick configuration changes to meet the evolving requirements of the user. Adjustable cummerbund features internal and external mounting options as well as accommodation for soft and/or hard armor. Front and back compartments accommodate hard armor via top or bottom loading for pre and mid mission adjustability. Thermoformed, anti-microbial, vented interior combines the perfect balance of durability and comfort.
